

Pilot Declaration

I solemnly declare that, for all of the dates on which I will pilot a balloon at the Midlands Air Festival 2024, the following items will be in force and valid:

- A private, commercial or balloon pilot's licence valid for the class of balloon which will be flown by me
- I agree to indemnify the organisers of the event and Ragley Hall against any claims made against them as a result of the operation of the above balloon(s) during the event
- I understand that all inflation, flying and other activity during operation of the balloon(s) during the event is subject to the permission of the organisers and their representatives and I accept their authority on all operational matters during the event. I also understand that the decision to fly or tether within this permission is entirely the pilot's responsibility
- As a pilot at the Midlands Air Festival 2024 I do hereby certify that I hold a valid UK PPL/CPL/BPL pilots licence and that all pilot currency and recency requirements have been met
- I have a current Medical Certificate or declaration as appropriate to the type of licence held
- My paper and/or electronic marked up maps will be fully up to date with the events master marked up map
- Any occurrences affecting flight safety or the safety of persons or property on the ground must be made known to the flight director as soon as possible after the landing

I undertake to bring the original documents listed above, together with my personal flying log book, to the event and to have them available for examination should this be requested.
