

Model Pilot Declaration

I solemnly declare that, for all of the dates on which I will pilot a balloon at the Midlands Air Festival 2022, the following items will be in force and valid:

- Insurance for at least the amounts required by law for third party damage (£25,000,000 is recommended by the BMFA)
- I declare that the balloon is safe to fly at the Midlands Air Festival 2022 and may be subject to a technical check at any time during the event
- I declare that the pilot who will fly the model balloon(s) at the Midlands Air Festival 2022 is competent to do so or will have adequate supervision by persons who are suitable for this task
- I undertake to bring the original documentary evidence of my insurance (and CAA Operators ID details, if applicable) to the event and to have them available for examination should this be requested
- No model balloon will be free flown (unless they are registered with the CAA as an Operator and have their I.D. number attached within their basket and follow all CAA regulations), only hand on basket or tethered flights will be allowed, subject to wind conditions
- I agree to indemnify the organisers of the event and Ragley Hall against any claims made against them as a result of the operation of the above balloon(s) during the event
- I understand that all inflation, flying and other activity during operation of the balloon(s) during the event is subject to the permission of the organisers and their representatives and I accept their authority on all operational matters during the event. I also understand that the decision to fly or tether within this permission is entirely the pilot's responsibility
